ABOUT ME

I am a passionate web developer with a strong focus on building dynamic, responsive, and user-friendly web applications. With over two years of experience in modern web technologies, I enjoy solving problems and creating intuitive user experiences. My expertise includes full-stack development with React, Next.js, Node.js, and more. I am always eager to learn new technologies and expand my skill set.

TECHNICAL SKILLS

Programming Languages & Frameworks:

- Node.js
- React
- ASP.NET
- TypeScript / JavaScript / HTML / CSS
